

# BE A SPONSOR

Royal Canadian Golf Association

GOLF fore  
the CURE™

Presented by  SUBARU.

Hosted by the Rotary Club of Lantzville in partnership with the RCGA & the Canadian Cancer Society, we are helping build awareness about the fight against breast cancer. This is a fun event, and it's our chance to help raise money for research and to assist those that have been affected by breast cancer, as well as the many causes that the Rotary Club of Lantzville supports.

**Fairwinds Golf Club**  
**Friday, May 7, 2010**

1:30 PM tee-off
